Bob & Angie Neuenschwander

Hello everyone, we had a great time back in Pennsylvania from Sept. 20 - Oct. 20. Had some wonderful time with Grandkids and our children. Those little ones are growing so quickly. It was also great to be able to attend the LightShine Ministries first Tuesday monthly meeting in person. We had the opportunity to share about us, what we do as base directors and how things are going. We shared some prayer and concerns that we had. Angie was having trouble seeing and it seemed to happen overnight. She was able to see her eye doctor and found out that she has fast moving cataracts that need removed soon. Angie was also not eating well and feeling very weak. She had some blood work done and everything with the kidney looks good, which was a concern since kidney transplant. Tests did show that her blood sugar level was high. We also shared about our financial concerns as we neared the end of the year. We found out we are about $24,000 behind what we should be at. The amount coming in was not covering what was needed to cover basic expenses. We both know and feel that this is where God wants us to be. We serve an amazing God and have seen him work in wonderful ways. We feel greatly blessed and loved by the response. If you feel lead and want to partner with us financially would greatly appreciate it. You can go to the LightShine website and donate in our name at lightshineministries.org.
The calendar is getting filled up with team dates for this coming year. Check out 2027 teams pages and see when and what each team will doing. It is going to be another great year ahead. I do still have two openings for the first team of the year, North Star Bible School and Camp January 22-31.
In His Holy Name, Bob & Angie Neuenschwander
