How is it already just 2 weeks away from Thanksgiving! My fall has been an extremely busy time; I have been really exhausted and needing things to slow down. Thankfully, that is starting to happen this week! Please pray for my husband and I to reconnect after this busy season we had!

A few updates:

I attended a few events for LightShine, getting our name out there in our community. And I'm still helping with some of the financial/planning tasks and attending leadership meetings.

We are working on planning the 2027 LightShine Banquet for April, a very special guest speaker will be attending from Alaska! (More on that soon!)

I'm taking a Bible class on the Old Testament through Zoom, once a week for 3 hours, 8 weeks. I've really been enjoying the class and it's given me a new way to view the Old Testament and how to read it. I have to start working on writing my paper to turn in for the class, I haven't written a paper in 20 years!

I'm also working with a few ladies to plan the 2027 women's retreat at my church.

I'm prayerfully seeking part-time employment; I'm currently helping some family members 2 days a week but could use some more hours. Please pray that God would bring something along that would be just what I need right now.

I am having surgery the day after Thanksgiving! I won't be able to drive for 2 weeks and full recovery is 6 weeks. It's going to be hard for me to slow down and take it easy, especially when so much needs to be done! Please pray for me.

Finally, I am going to Alaska in March! I will be part of a small team going to Globe Creek Camp to help during their "winter camp" for the kids and teens. I'll probably be helping in the kitchen. Here's the kicker…it's totally off grid, way above Fairbanks, getting down to possibly -40! I know for many of you that sounds crazy, but I am really excited to go and help the camp! I will be sending out more info about my trip soon, if you'd be interested in receiving a support letter, let me know!

Thank you all for your prayers and your support and encouragement. As I reflect on my trips in 2026, I remember that so many of you have helped in so many ways, and I'm so thankful!

In Him,
