Team Leader Training 2018

When: January 13, 2018 from 8am-4pm

Where: Burning Hearts Community Church

2460 New Holland Pike., Lancaster, PA 17601

Who: All current team leaders, potential team leaders and those who are interested in what it takes to lead a LightShine team.

Why: LightShine Ministries has been serving in Alaska 22 years and we have learned a thing or two about what it takes to lead teams in that environment. We expect a lot out of our team leaders and in return we offer some benefits as well. Continuity between teams in the way teams are handled and facilitated is extremely important to us as a ministry and to those who we minister to. LightShine has a high standard, both personal and professional, that has been upheld in our ministry and we aim to continue to set the bar high. If you are in any of the above mentioned groups, **you need to make this day a priority.** Anyone who is planning on leading a team this year is expected to be there.

Come for an informative and interactive time of learning and honing your leadership skills. Plus this a great time of fellowship with LightShine ministry staff. Coffee, tea and pastry will be provided in the morning. Lunch will be provided. Looking forward to seeing you all there.
