

# Tom & Ruth Denlinger Prayer Requests - June 2015

Serving with [www.lightshineministries.org](http://www.lightshineministries.org) for the past 20 years

Hello Everyone! Greetings in the Name of our LORD, Jesus Christ. Please read through this prayer letter and take some time to intercede for us. **We really value your prayer because we know that God desires to hear us!**

Lives are impacted for the Kingdom of Jesus Christ when we daily seek the Father for what He desires us to do and say. I am really excited about this summer's teams that are currently preparing for their assignments. Our first of six teams are leaving this Friday, June 5th! Close to 50 people will be serving with us this year. Our staff is working hard in a flurry of activity - processing lots of support checks, communicating with emails and phone calls and purchasing airline tickets. Most people have no idea how much work goes into setting up team assignments and following through with all the administrative work that goes into making a team a success. **Please pray for our staff.**

I find it especially satisfying when I talk to those who are preparing to go. I love to see how God works in each individual - helping them through the stress of raising support, leaving home to fly 5,000 miles from home and living/working closely with others for a week. **Would you please pray that God would prepare all of them for this act of obedience?** This is no small thing for many of them. **Pray for His peace and provision to come over them - in Jesus' Name.**

I am currently working on two major jobs for LightShine. **I really need your prayer for God's wisdom to move forward.** The first is completely re-making our website. I took a class at Pennsylvania College of Art & Design this past semester on WordPress - which is an online web-page creator. I am told that one in five websites on the Internet are made with WordPress. Our current website is built on software that is no longer updateable and we need a completely new look. It will be a lot of work but I am excited about what I am seeing in the new design.

**The second major goal is to create a powerful and informative video for LightShine which captures the work we are doing in Alaska.** Each of our 6 team leaders will be taking video of their work - along with scenic shots of their area and interviews with the ministry leaders they are working with. I will be taking my own administrative/filming trip in July to visit all of these ministry leaders and also direct some interviews on film with a cameraman from Alaska. All of this takes time and money. But in this age of technology, we need to keep people informed. **Please pray for the people I seek to get on film.** I really need to capture their hearts for their own ministry and answer the questions of, "Why work in Alaska?" and "Why don't people just do the work themselves". **Pray that the LORD puts it on their hearts to do these interviews and makes these events happen.** I will be travelling over 1,500 road miles in Alaska. **Thank you so much for your prayer for safety and prosperity as we seek to represent Him in excellence.**

I am sending this letter to you because you have supported us in the past. My wife, Ruth, and I need to raise \$4,000 per month to work fulltime in this ministry. If you ever have any questions or comments on supporting my wife and I on a monthly basis, please contact **Jeff Zimmerman** (administrator/treasurer) with by email: [lightshinefinance@comcast.net](mailto:lightshinefinance@comcast.net) He will help you set up an automatic withdrawal from your bank account to make it easier to give. Thank you so much!
