

Tom & Ruth Denlinger Prayer Requests - October 2018

Serving with www.lightshineministries.org for the past 23 years

Hello Everyone!

It has been a VERY successful year so far in Alaska. As I type this letter to you, our 12th missionary team is serving in Homer, Alaska helping a local church there renovate the former bowling alley into their new church facility! When they return home early next week, we will all be at the Manheim Farmers Fair each evening. Come out and talk to our volunteers if you are able.

Besides maintaining the ongoing ministry relationships we have started all over the state of Alaska, one of the most rewarding new accomplishments I have seen this year is the work we were able to complete in August on our new missionary base. In the beginning of August, we cut down a lot of trees and we were able to rent some heavy equipment **in order to prepare the site for building our garage next May 2019.**

This new property will become the staging area for our ministry for years to come. This small building (bottom left) was formerly a shack on the property that we renovated with a new floor, walls, windows and metal roof overtop of the old asphalt roof. This building will be the cook house for next year's construction

teams. Our first several teams will be living in wall tents and using this cookhouse until the garage is built. The new garage will be on the site (to the right) and will have a kitchen, bathroom and sleeping area upstairs. **Take time to visit our website** and read about it:

I send this letter out to those of you who have supported my wife, Ruth, and I in the past. We need your help to help me serve with LightShine Ministries. My job is to raise up and equip leaders - casting vision for growth and development for our ministry. I need to raise \$1,000 per week to do my job. If you are unable to support my wife and I financially, **would you please pray for us?** We know the power of prayer and see it as a vital part of what we do.

Thank you so much!
