

Tom & Ruth Denlinger Prayer Requests - April/May 2020

Serving with www.lightshineministries.org for the past 25 years

Hello Everyone!

Tom Denlinger, keeping you informed how our ministry is doing. What a crazy world we are living in! Wow. We have ALL gone through so much in the last two months. I wanted to update you on what is happening with us. But I also want you to know that as I sign and send each letter, I am praying for each you and your family individually. The LORD needs to BURN OUT this virus so His people can get back to the call He has for all of us.

It's been really challenging to plan for teams to fly 5,000 miles from home and keep people focused on the need in Alaska when things are so uncertain at home. I could talk about that but I won't. All I need to ask you for is to pray for me that the LORD would give me wisdom in my leadership. Knowing when to nudge others and knowing when to wait - knowing when to follow guidelines set by our government without any questions and knowing when to cast vision for change. Knowing when to "externally process" with family members and knowing when to be silent. Wisdom - plain and simple. These are all things I need prayer in.

I would really like it if you went to our webpage and watched the video on our main page. It explains everything I would tell you if we were talking in person.

www.lightshineministries.org

One of the things I finished during this lock-down is a photographic worship production called "**The Signature of the Creator**" which I would really like you to watch. It's a 12 minute ministry piece where God the Father speaks directly to the listener and explains why He created Alaska. You can also find that on our website and on YouTube. Please share it with others.

Our first teams were originally set to fly on May 8 (this week). But we postponed those teams to start June 18. Please PRAY that these lock-down restrictions will be lifted by then. We also have two volunteers to drive this new (to us) Dodge crew cab pickup to Alaska filled with tools and supplies. But as I write this, the Canadian border is closed. We definitely need your prayer and continued support as we keep doing the work that the Father has told us to do.

As always, I appreciate you taking time to read this ministry newsletter, pray for us and give as you feel led. **I have to raise my own missionary support in order to do my job.** I continue to work for Light-Shine Ministries on a weekly basis and I need to raise \$4000 per month to cover those costs. Your support helps me impact many people with the Gospel of Jesus Christ as well as making bold and courageous leaders that will lead others well. My wife Ruth and I deeply appreciate you helping me lead this ministry. If you would ever want me to give you a call or visit in person, just ask. Thank you.
