

PHASE 4 - *July / August 2020*

Our Much Needed Garage Is Getting Finished!

In **2019**, our missions teams were able to build this 28' x 60' garage at our ministry base in Palmer, Alaska. This garage will have a kitchen, dining room and bathroom in the walk-in door area and steps to go upstairs where there will be an area to set up our cots for housing teams till we are able to build our main bunk house in the future.

OUR HISTORY:

Since **1995**, LightShine Alaska has been serving in **Alaska Native** villages. We have built and repaired local churches, helped build three different youth Bible camps, a support building at a remote Christian radio station (**KCAM in Glenallen**) and a substance abuse rehabilitation facility called **The Dream Center**. We also helped **Youth With A Mission (YWAM) Arctic Mercy** and various other ministry buildings and projects in Alaska.

Our desire is to provide needed tools to enhance these ministries throughout Alaska.

OUR NEW MISSIONS BASE!

In November of **2017**, we were able to purchase 4.62 acres in Palmer, Alaska, for our missionary base of operations. In **2018**, we cleared trees and built a road. In **2019**, we built our first building which will house our vehicles, tools and short-term missionary team members for years to come!

This property will be our ministry base camp for sending teams all over the state of Alaska to assist different people in ministry. ***We need your help!***

HERE IS OUR 5 YEAR PLAN:

Our property currently has a 2 bedroom house on it which we will continue to rent until we can place several staff people there to be caretakers of our missionary base.

PHASE 1 - **2017** *Completed!*

Praise Him! We are very thankful that God's people gave towards the purchase of this property which we purchased for **\$100,000**.

PHASE 2 - **2018** *Completed!*

We had a very productive series of teams in August clearing land, cutting in a new road, and renovating a small building that will be used for a cook house. **\$18,300** was spent for completing this phase.

PHASE 3 - **2019** *Completed!*

\$77,500 was raised to complete what you see in the photo on page one. Praise the Lord for all those who gave and worked hard!

PHASE 4 - **2020**

Because of the pandemic lockdown America experienced in **2020**, we had to trim our previously scheduled 13 teams to 5 for this year. It is still imperative that we finish these vital steps outlined above in **2020**. The teams are already lined up! **We need to purchase the building materials.** The work in **2021** will be focused on septic, well and interior.

Our ministry provides an opportunity **for you** to get involved in the Great Commission that our Lord Jesus Christ commanded us to obey. **Pray** for God to lead more and more men and women to work in these vital team assignments across the state. **Pray** that God would move powerfully in the hearts of His people to give.
