

Tom & Ruth Denlinger Prayer Requests - July 2020

Serving with www.lightshineministries.org for the past 25 years

Hello Everyone!

After many, many months of waiting, LightShine is now in Alaska working at our missions base in Palmer. The work is the LORD is moving forward and we are very excited!

This past week, a group of LightShine leaders and new team members met at our home for an outdoor cookout/campfire to discuss the work that is before us.

We also wanted to dedicate the new items that have been donated by different people in the photo below. Last fall, this Dodge crew cab pickup was given to us. We were able to do some mechanical and body work, get a new paint job and install a new ladder rack.

We also recently had a financial supporter offer a \$1,000 donation for purchasing lawn equipment for our property in Alaska if we could raise \$2,000. The goal was to purchase a riding tractor as well as a weed wacker and accessories. In the end, we had a total of \$4,000 given towards this fund and over \$500 in hand tools given! We are very grateful. We also had a professional first aid station given for our building in Alaska. All of that will be driven to Alaska in August.

In these troubled days, I encourage you to take time to read Psalm 37. I read several different verses from that chapter to our staff at our cookout. Verse 34 is a stand alone verse that really speaks to me:

“Wait on the Lord and keep His way, and He shall exalt you to inherit the land; When the wicked are cut off, you shall see it.”

No matter what you are facing today, you need to remember that our God is not surprised by anything that is going on in our land. He desires

for His people to flourish just like the children of Israel did while they were captives in Egypt. We just need to be faithful to Him and continue to build His Kingdom in preparation for His return and reign on earth! What a glorious day that will be!
