

Tom & Ruth Denlinger Prayer Requests - Oct/Nov 2020

Serving with www.lightshineministries.org for the past 25 years

Hello Everyone!

It has been a tough year for all of us but we are blessed. Even when we get distracted with all the lawlessness and confusion that we see all around us, our God knows and sees everything.

Wait on the Lord,
And keep His way,
And He shall exalt you to inherit the land;
When the wicked are cut off,
you shall see it.

Psalm 37:34

In this letter, I want to encourage you to trust our God and embrace the calling He has on your life regardless of what you see around you. I have watched so many courageous men and women of God serve with us this summer - in spite of new restrictions and regulations for travel. We had to cancel 9 of our 13 teams and focus primarily on working on our missions base because most places were quarantined and asked us to take off bringing teams to help till 2021. But God was faithful and guided all of us.

Because of the pandemic, our driving team was denied entry into Canada with our newly donated truck filled with tools for our missions base. The truck sat in Great Falls, Montana for a couple weeks until I was able to fly there and drive the truck to the ferry in Bellingham, Washington. The cost of the ferry was \$2750 and with my airline tickets and expenses, the overall costs approached \$5,000. But it had to be done. Someone in Alaska picked up the truck at the other end of the ferry in Whittier and now the truck, tractor and tools are safe inside our garage for the winter. We are very thankful.

Thank you for supporting me as a missionary with LightShine Alaska. We are now planning by faith for 2021. Go to our website and visit our "2021 Teams" page. Yes, we planning a final surge of 4 teams to install water, electric, septic and do interior work for our garage which has a kitchen, bathroom, laundry and upstairs bunk house. This will be the hub of activity for years to come for our teams that come to serve all over the state. But, Lord willing, there will be other teams as well!

Please **pray** that the LORD in His wisdom and power would provides courageous workers for us in spite of all the uncertainty facing our nation. We have found that planning to go and serve 5,000 miles from home during a pandemic is not something everyone wants to do. **Pray** that God moves on the hearts of people to go. Consider sending a gift for our financial support as missionaries. We need to raise \$5,000 per month and everything you send helps us do our job. Thank you so much.
