

# Tom & Ruth Denlinger Prayer Requests - Christmas 2020

Serving with [www.lightshineministries.org](http://www.lightshineministries.org) for the past 25 years

Merry Christmas Everyone!

2020 has been an amazing year of watching our LightShine leaders walk in faith. They worked through many challenges related to the Covid regulations for travelling to Alaska. I am very thankful for all of them. It is an honor to help lead this team for the glory of our Lord Jesus Christ.

Our first building is well on its way as our first bunk house, kitchen and garage. In 2019 we built this building. This year we added siding, an outside staircase and inside drywall. Soon, we will be able to host our teams on their first night in Alaska. But before that happens, we must give one more year of work to get this building ready for people.

Lord willing, in May 2021, our first teams will be arriving and focusing on three needed systems that must be built - water, electric and building a septic system. Then another set of teams will be finishing drywall, painting, doing trim work, laying flooring, building bunk beds and eventually finishing the kitchen and bathroom. You can read more about the process on our website.

**Pray** that God moves on the hearts of people to “GO” in 2021. Never forget that there is an eternal reward for doing God’s work here on this earth and pursuing it as a priority over our personal endeavors (2 Corinthians 5:9-11).

Consider sending a gift for our financial support as missionaries. We need to raise \$5,000 per month and everything you send helps me do my job. You are a blessing.  
**Thank you so much!**
