

Tom & Ruth Denlinger Prayer Requests - Jan/Feb 2021

Serving with www.lightshineministries.org for the past 26 years

Hello Everyone!

What do you do when all the odds are working against you? Honestly, you have to move forward. We have seen God provide in miraculous ways over the last 4 years and we now have a property with a renter and two (almost) usable buildings for our ministry. Late in 2020, we made our needs known for purchasing building materials for 2021 and since then, almost \$70,000 has come in. We are absolutely amazed and humbled that God is with us. **“Thank you” to those of you who gave to our ministry for establishing our mission base.** All of your money has been used for the glory of God and because we have been faithful stewards, He has provided us with what we need every year. He is to be praised!

THAT is why we KNOW that He wants us to push forward with plans to finish the building that we started in 2019. We have the money for building materials. **All we need to do is pray for team members to do the work!**

I am leading the first team on May 7 to clear some more land and prepare for the next couple teams that will building our water house, installing electric, and building a septic system that will service our kitchen in the new garage/bunkhouse. **Do you know anyone who would like to be part of my team felling trees, stacking logs and clearing land? Contact me if you do.**

In this photo, last year's drywall team was having morning devotions after breakfast in our “cook shack”. The cook shack used to be a pheasant pen three years before. Now it is the center of activity for meals until our new, larger kitchen is finished. Remember that we see these buildings as simply tools to disciple people as they get ready to travel throughout the state of Alaska to serve other churches, Bible camps and ministries. We are so thankful for the many financial gifts that were given to establish this missions base. There is much more to do. But for 2021, **all we need is people who are willing to go and serve.** Please **PRAY** for God to raise up the right people.

Thank you so much for your involvement in our lives. **I have to raise my own missionary support in order to do my job.** I continue to work for LightShine Ministries on a weekly basis and I need to raise \$4000 per month to cover those costs. Your continued support helps me impact lives and build this ministry. **PRAY** for me as I am speaking at several churches in the next two months. **My passion is encouraging others to finish well and keep their eyes on Jesus!**

Go to our website and see the work that is happening and click on our personal page to see the responsibilities that I have. Ruth and I appreciate your **prayer** and support. But also remember that if you are unable to give and would like to be taken off our mailing list, simply send me an email and write “remove” in the subject line. **Thank you so much!**
