

Tom & Ruth Denlinger Prayer Requests - Mar/Apr 2021

Serving with www.lightshineministries.org for the past 26 years

Hello Everyone!

We are about to begin a whole series of teams starting on May 7! It's a very exciting time.

I am want to thank you for your support in the past **because it has allowed me to work for LightShine Ministries - casting vision and training leaders for accomplishing great things in Alaska.** I want to emphasize that this is not an easy job. Many people still doubt when it comes to airline travel. We have heard people say, **"I'll wait till next year"** even though the responsibility of missions is still a command from our LORD Jesus Christ. We simply have to go.

God has clearly provided again this year and has confirmed to us that **going is what He wants us to do.** Would you please take a few moments and **pray** for the people who have chosen to serve with us in Alaska this year?

Go to our website and click on **"2021 Teams"** and take time to click on each team and **pray** for the team leaders and teams. **Prayer** changes things. **Prayer** changes us. **Prayer** focuses us on things that really matter.

I will be personally leading this first of 12 teams made up of two dads and two sons. I remember the days when my sons joined me on father/son teams like this one.

Now, both of my boys are in ministry themselves. I cannot tell you the importance of investing in the lives of people like this. It's all about making disciples of Jesus Christ and His Kingdom.

The missions base we have been building is simply a tool. But it is a very important one. I want to say it again. We are both humbled and energized to see how God has provided through His people. We had over \$80,000 come in that will purchase the building materials and equipment needed to finally finish our bunkhouse/garage this year. Because He is faithful, we owe Him nothing less than our wholehearted devotion and focus to complete the task and seek Him for what is next.

Thank you so much for your involvement in our lives. **I have to raise my own missionary support in order to do my job.** I continue to work for LightShine Ministries on a weekly basis and I need to raise \$4000 per month to cover those costs. Your continued support helps me impact lives and build this ministry. **PRAY** for me as I am working at our missions base the month of May. **My passion is encouraging others to finish well and keep their eyes on Jesus!**

Go to our website and see the work that is happening and click on our personal page to see the responsibilities that I have. Ruth and I appreciate your **prayer** and support. But also remember that if you are unable to give and would like to be taken off our mailing list, simply send me an email and write "remove" in the subject line. **Thank you so much!**
