

# Tom & Ruth Denlinger Prayer Requests - November 2021

Serving with [www.lightshineministries.org](http://www.lightshineministries.org) for the past 26 years

HAPPY THANKSGIVING Everyone!

We can be thankful for so many things. The LORD has provided us with so many tools to build the Kingdom of Jesus Christ in Alaska and steward them with special care. One of those blessings are security cameras. One of our leaders, Mel Miller, sent this photo to our team. Not only are we keeping an eye on our buildings for visitors that should not be there, but occasionally we let one of those “moose visitors” enjoy themselves.

We are thankful to have 6 security cameras in order to keep an eye on our property. **We hope to someday build a Base Director's home and have a full time presence on our missions base.** But for now, we will have to rely on our neighbors who keep an eye on our buildings for us and will we call them to investigate if someone needs to be confronted.

We live in a time where people are becoming more and more lawless. It requires is to be wise and prepare for helping to hold them accountable for their choices. Please pray for our missions base that the LORD would continue to surround it with His angels of protection.

**My passion is encouraging others to finish well and keep their eyes on Jesus!**
