# EMPOWERING

*Generation To Generation*

LightShine Ministries is a non-profit organization based  
in Mount Joy, Pennsylvania.

"We desire to encourage, disciple and teach men and women to be devoted  
followers of Jesus Christ - to finish this life well."

(2 Corinthians 5:9-11)

- The 2nd Finishing team installed the kitchen, flooring, bathroom, and wallboards in the bunkhouse.

# What We Do In Alaska

LightShine Ministries has been serving in Alaska for 26 years. We come along side local churches, Bible camps, and Alaska Native villages to help them with whatever they need done. Once we start at a location, our goal is grow a relationship with them and return year after year.

## HERE ARE JUST A FEW OF THE PLACES WE HAVE SERVED:

Copper Center since 1996  
Mountain Hope Fellowship since 2001  
Globe Creek Camp since 2008  
Kenny Lake Chapel since 2008  
WEIO since 2013  
Village of Gulkana since 2013  
Bingle Camp since 2015  
Regent Life Church since 2018

# OUR VOLUNTEERS

In 2021, LightShine Ministries sent ten teams with a total of 61 volunteers to six different locations. Each team provided five days of labor at eight to ten hours per day. Given the short construction season in Alaska, one team of eight volunteers can do in one week what it would take one person most of the summer to accomplish. LightShine volunteers and their supporters are making a difference in the lives of children, village residents and ministries that serve them by their sense of mission and their desire to share the love of God in a distant place.
