

# Tom & Ruth Denlinger Prayer Requests - July 2022

Serving with [www.lightshineministries.org](http://www.lightshineministries.org) for the past 27 years

Hello Everyone!

Our 7th team just completed their assignment at **Bingle Bible Camp** which is south of Fairbanks, Alaska. They are a father/son team and I would love for you to see their photos. **CLICK HERE** to see what they did. I love to see boys working with their dads. 10 years ago our sons, Alex and Ryan, served with me on several teams. Now they are both in ministries of their own.

I am now in a new season of casting vision for our next big project - transforming our house at our base into a useable home for the coming years. It is currently in disrepair and needs a lot of attention.

In this photo, **Bob Neuenschwander** is going over plans with **Carl Ginder** and I are discussing how we will transform this house into a home. I believe it is a good plan. **Bob** and his wife, **Angie**, are leaving for Alaska on Monday, the 11th and will be driving our new minibus to the ferry in Washington state and then going to work at our base for few days till their next team arrives. During that time, Bob will be determining in more detail how to initiate the plans for the house. He will be also giving a more thorough estimate on cost of each phase of the project. I will be making a video showing in detail what needs to happen there.

**Please pray for our leaders** as

we all have to make important decisions regarding how to build our missions base during these times of high inflation. We have to raise a significant amount of money in the coming year for building materials. It is very important for us to complete this home. **Doing this will allow us to take our missions base to a fulltime operating facility.** **CLICK HERE** to read more.

We will continue to cast vision for growth in spite of the condition of our economy. We do not believe that God wants us to “shrink back” into fear or unbelief. **Even when we see the storm on the sea, we still need to step out of the boat like Peter did!** We have seen Him provide in miraculous ways in the past. Thank you for supporting my wife and I in this important ministry. We could not do our job of organizing all of this if we did not raise financial support from people like you helping us. We would appreciate your **prayer** and support. **Thank you so much!**
