

# Tom & Ruth Denlinger Prayer Requests - August 2022

Serving with [www.lightshineministries.org](http://www.lightshineministries.org) for the past 27 years

Hello Everyone!

**Greetings in the Name of our Lord Jesus Christ.** I just completed a long journey driving across America - taking my mother's SUV and household belongings to the ferry in Bellingham, Washington. In July, another **LightShine Alaska** couple drove our new minibus to the same ferry. It is a pricey (but important) service in getting vehicles to Alaska. After my father died in December, my mother decided to move to Kenai, Alaska which is near where my brother Dean and his wife Rochelle live. Kenai is about 3.5 hours from our mission base in Palmer.

On the way, I stopped at the home of **Marty & Deborah Hogen** in Bozeman, Montana and stayed with them for 2 nights. It was a much needed break. I was very thankful.

I worked with the Hogen's at **Sight & Sound Theatres** for many years. Deborah worked with me in set construction and Marty and I were actors together in several shows. If you ever took time to watch the photographic production on our website called "**The Signature of the Creator**", Marty was the voice of God in that production. They took me to the headwaters of the Missouri River where Lewis and Clark journeyed in their famous expedition. I am quite thankful for them and would ask you to **pray** for them as we plan more creative goals using the arts to point people to Jesus.

**LightShine Alaska** has officially begun the work on our mission base house. It is time to transform this old house into a useable tool for the future. **CLICK HERE** to see a new video explaining this vision. We have already raised approx. \$40,000 to begin this new work and should raise an additional \$85,000 to complete the first floor and make it useable till we can complete the upstairs as well. Once completed, we can move in to the base full time and develop several new ministries that we are **praying** about. It is absolutely vital to run this base full time. Would you please **pray** for my wife and I. We need His clear direction if He wants us to move from PA to Alaska.

**My passion is encouraging others to finish well and keep their eyes on Jesus!**

Go to our website and see the work that is happening and click on our personal page to see the responsibilities that I have. Ruth and I appreciate your **prayer** and support. **Thank you so much!**
