

# Tom & Ruth Denlinger Prayer Requests - September 2022

Serving with [www.lightshineministries.org](http://www.lightshineministries.org) for the past 27 years

Hello Everyone!

**Progress is happening on our missions base house!** Several different financial supporters have responded and we made the decision to order the building materials needed to frame in the addition so that we can work inside when the coming harsher weather sets in. This house will become a home in the next few months and we are very excited to see God providing for us.

Please **pray** that He gives my wife and I clear direction for the future.

We are seeking Him together on this but there is a lot at stake. We are confident that **“When God is in it, He will make a way”**. But, imagine if we allowed ourselves to make decisions for major moves like selling our home in Pennsylvania and moving 4,500 miles away in the midst of the highest inflation we have experienced in decades as a nation and all the political unrest that we see on a daily basis.

I am not motivated to “shrink back” into unbelief and caution - believe me. I have seen God provide over \$50,000 in 2008 when our economy was bad. He can do it again! **CLICK** on the photo!

**My passion is encouraging others to finish well and keep their eyes on Jesus!** He knows our need and it is very important for me to be a leader with integrity who doesn't just call others into living out a life of RISK in missionary work, but lives it out in my own life as well.

Thank you for all your encouragement in the past and the continued financial support you send us on a monthly basis. It means so much to us because it affirms our leadership to others. Go to our website and see the work that is happening and click on our personal page to see the responsibilities that I have. Ruth and I appreciate your **prayer** and support. **Thank you so much!**
