

Tom & Ruth Denlinger Prayer Requests - October 2022

Serving with www.lightshineministries.org for the past 27 years

Hello Everyone!

I am in Alaska working on our Base Director's Home. I am VERY thankful for the progress we are making. It is definitely cold here and snow has fallen several times since I have been here. We are almost finished getting this addition "dried in" before the next major snow falls. Part of the amazing thing about building this missions base is to watch God's Hand of provision come in.

If you haven't seen the video I made from here in Alaska already, click on my photo to the left and it will take you to YouTube so you can watch it.

I'm sometimes torn between raising money for our building fund while also raising missionary support so I can get paid for what I do and make budget in my personal life.

Thank you so much for being a part of that. Some of you have been supporting my wife, Ruth and I for over 20 years. It means so very much to us. It allows me to lead this ministry part time and "fill in the cracks" with my trade as a sign and truck lettering artist. I have learned over the years that many missionaries are "bi-vocational". But your support allows me to take 3 weeks to do all my responsibilities in LightShine Alaska. Please pray for my wife while I am gone.

Team leaders are already forming teams for 2023 and faithfully serving with us. I am so thankful for such quality people that make up LightShine. We are truly blessed. Many others are tempted to shrink back and worry as the economy continues to show signs of inflation. But God is good and He is our Great Provider. He is to be praised! Holy is His Name.

My passion is encouraging others to finish well and keep their eyes on Jesus! He knows our need and it is very important for me to be a leader with integrity who doesn't just call others into living out a life of RISK in missionary work, but lives it out in my own life as well.

Thank you for all your encouragement in the past and the continued financial support you send us on a monthly basis. It means so much to us because it affirms our leadership to others. Go to our website and see the work that is happening and click on our personal page to see the responsibilities that I have. Ruth and I appreciate your **prayer** and support. **Thank you so much!**
