

LIGHTSHINE ALASKA EMPOWERING *Generation To Generation*

An aerial photograph of a yellow building with a grey metal roof, situated in a wooded area. A green SUV and a silver trailer are parked in front of the building. A large pile of logs is visible to the right of the building. The background shows a dense forest and mountains under a blue sky with clouds.

LIGHTSHINE BASE CAMP

In 2022, LightShine Ministries Base Camp hosted 3 amazing teams to work at the property.

- The LightShine Base Team started to work on the rental house by removing the kitchen, tearing up carpet, and working on the roof.
- The Landscape team worked extremely hard removing rocks, logs, and installing weed barrier.
- The Bunkhouse team built shelves and a work bench in the garage, organized the garage and did a lot of finishing touches to our kitchen, bathroom, and living quarters.

What We Do In Alaska

LightShine Ministries has been serving in Alaska for 27 years. We come along side local churches, Bible camps, and Alaska Native villages to help them with whatever they need done. Once we start at a location, our goal is grow a relationship with them and return year after year.

HERE ARE JUST A FEW OF THE PLACES WE HAVE SERVED:

Copper Center since 1996
Mountain Hope Fellowship since 2001
Globe Creek Camp since 2008
Kenny Lake Chapel since 2008
WEIO since 2013
Village of Gulkana since 2013
Bingle Camp since 2015
Regent Life Church since 2018

OUR VOLUNTEERS

In 2022, LightShine Ministries sent eleven teams with a total of 68 volunteers to nine different locations. Each team provided five days of labor at eight to ten hours per day. Given the short construction season in Alaska, one team of eight volunteers can do in one week what it would take one person most of the summer to accomplish. LightShine volunteers and their supporters are making a difference in the lives of children, village residents and ministries that serve them by their sense of mission and their desire to share the love of God in a distant place.
