

Greetings in the Name of Jesus!

Jude & I have volunteered to work with **LightShine Ministries** in Alaska from **June 9 - 18, 2023** and we are asking that you consider supporting us as short term missionaries during this time.

LightShine Ministries has been building Bible camps and working alongside the local church in wilderness areas throughout the state for the past 28 years. There are 9 other LightShine teams serving this year. Our team will be following up "House Team 1" that will be building an addition on the north side of the Base Director's house. We will be doing various jobs including, painting, flooring, cleanup, tree removal and landscaping, etc. This missions base is where **LightShine** teams spend their first night when they travel to Alaska.

We are volunteering our time for this work team and we need to raise missionary support in order to go. The cost per person to serve on this team is \$1975. This includes airline, ground transportation, food and various other ministry expenses. **The total cost of the trip for the two of us is \$3950.** We need to raise at least half of our support by April 21 in order to be a part of this team. The balance of our support needs to be in by May 5. **Would you please consider helping us with this need?** Even if you cannot give financially, please *pray* for us from now till we get home. If you want to be updated on our team, please fill out your email address as well and **LightShine** will keep you up to date on the progress of the team. **Thank you so much for helping us help the people of Alaska!** -Aaron Bert
