

# Tom & Ruth Denlinger Prayer Requests - April 2023

Serving with [www.lightshineministries.org](http://www.lightshineministries.org) for the past 28 years

Hello Everyone!

Things are really gearing up for sending 10 different teams to serve in Alaska. There are lots of meetings going on and many people are raising financial support for their personal assignments. **Would you please *pray* for encouragement for our different team members?** There are over 100 people going this year (people still joining). Stepping out in faith and raising support is quite challenging for many of them since this is their first time doing it. ***Pray* that the LORD encourages each one of them and shows them His provision.**

One of the passions of my heart is leading others into a deeper revelation of what their personal calling is. We don't just send work teams to Alaska. Our ministry builds leaders. Jesus called it "making disciples" and He actually commanded us to do it (Matthew 28:18-20). **I've learned that making disciples happens when you make an intentional choice to do it.** It doesn't happen simply by default.

This photo is our **Kingdom Warriors: Hershey** group. What a powerful group of men! Each one brings their own passions and callings. I lead other groups that meet every other week in Leola and Reinholds and potentially a new one in York. Thank you for all your encouragement in the past and the continued financial support you send us on a monthly basis. It means so much to us because it affirms our leadership to others and gives us more time to invest in them and less time needed to do bivocational work. Go to our website and see the work that is happening and click on [our personal page](#) to see the responsibilities that I have. Ruth and I appreciate your *prayer* and support. **Thank you so much!**
