

Tom & Ruth Denlinger Prayer Requests - June 2023

Serving with www.lightshineministries.org for the past 28 years

Hello Everyone!

What incredible thing it is to invest in the lives of people. The man in the middle is **Scott Ogan** and we have been friends with he and his wife, **Janet**, for over 15 years. He is a hardcore Alaskan who is a skipper on a boat that runs people and supplies out of Homer, Alaska and takes people out fishing in Kachemak Bay. Scott & Janet have been investing in people for many years at their business in Seldovia called "[Tree House Cove](#)". <<< Click on this link and see a little bit about what they do. They are devoted to using what the Lord has provided them to strengthen pastors and people in ministry. They are an inspiration to me.

Bill Endslow (on the left) has been working with LightShine for over 20 years and lives in Alaska near our base. He completed a priceless amount of work for LightShine this past winter. He singlehandedly built the first addition on our base house and continues to oversee our base (as a neighbor) till we get a fulltime LightShine person living at our base. He kept the snow plowed and daily talked to me and our LightShine leaders over the entire winter.

The conversation I had with the two of them today continued to reveal to me the need for us to mentally and physically (have the right tools) plan ahead before moving to Alaska. They also admitted that they could not live here all winter without taking a break to a warmer climate. Regardless, **people still need the Lord and we need to continue to plan ahead to be here and be stewards to what God has put in our care.** I would appreciate your prayer for our need for God's wisdom and provision for the future. It is better to plan ahead instead of rushing headlong into a mistake.

Thank you for all your encouragement in the past and the continued financial support that you send us on a monthly basis. **It is very important that I raise \$4,000 per month to cover my salary.** If you ever want to talk to me personally, send me a text or email and I would be happy to answer any questions that you might have. Ruth and I appreciate your *prayer* and support. **Thank you so much!**
