

Tom & Ruth Denlinger Prayer Requests - July 2023

Serving with www.lightshineministries.org for the past 28 years

Hello Everyone!

You know what is hard for me? The discipline of leading from my office in Pennsylvania instead of working in Alaska. I'm just being honest. But I have realized that championing others is an important part of leadership. Sometimes you have to let others fulfill their own callings and back them up and support them as part of the team. And, I'm okay with that. I love our LightShine Alaska staff. They are all gifted by the Holy Spirit and focused on bringing glory to our Lord Jesus Christ.

After flying back from our missions base, others have now "tag-teamed" with me and arrived at our base late last week. I was there for over a month and I must

admit ... I missed my wife. So, now I am in my studio office, in front of my computers, making video, collecting daily photos from our teams in Alaska and casting vision for a new surge of ministry activity in September.

Have you been to one of our monthly meetings? They are normally on the first Tuesday of the month. In July, the meeting is the second Tuesday due to the 4th being a holiday. **I would really encourage you to join us.** If not this month, join us Tuesday, August 1st.

Thank you for all your encouragement in the past and the continued financial support that you send us on a monthly basis. During these busy months where I am constantly working fulltime for LightShine Ministries, having the financial support available to draw from is very encouraging. **In order for me to continue doing this, I need to raise \$4,000 per month to cover my salary.**

If you ever want to talk to me personally, send me a text or email and I would be happy to answer any questions that you might have. Ruth and I appreciate your *prayer* and support. **Thank you so much! Pray for me this month** as am preaching at Upper Room Church in York on July 16 and Risser's Mennonite Church on the 24th. **I would love to share our ministry at your church as well!**
