

Tom & Ruth Denlinger Prayer Requests - July 2024

Serving with www.lightshineministries.org for the past 29 years

Greetings in the Name of our Lord Jesus Christ!

The benefit of being part of a ministry, that God is truly blessing, never ceases to amaze me. When we bought our LightShine property, our goal was to transform the place - reclaiming the land for the GLORY of God and using it to disciple people and send them out to do what God chose them to do before the foundation of the world (Ephesians 2:10).

Yes! He has blessed us abundantly through His people and our goals are becoming a reality.

How many people does it take to do extraordinary things for the Lord? After several years of skilled labor teams and many financial supporters, this old house (above) is becoming a home for our new Base Director (below). The Lord to be praised!

For example, the siding alone is a picture of how His Body worked together this year. It was donated by a generous individual and several teams coated it with clear wood sealer and stacked it to dry in June. During the first week of July, another team finished installing it on the house. **Obviously, this is only one part of the work we are doing on our missions base.** But finishing this house and making it a home for our new Base Director is a priority. **Lives are being changed and we see God working!**

Our job as leaders is to do the work behind the scenes that connect all the dots, planning ahead, vision casting, paying the bills, overseeing volunteers and helping them see the Hand of the Lord working in their lives. **Thank you for helping me do this.**

We send you this newsletter to help you understand what I do and our financial needs in ministry. **As a missionary, I need to raise \$5,250 per month to cover my salary.** The money that comes in from our supporters goes into a column in our ministry's books that I draw from when I report my hours each week. We ask for financial support since our ministry is not a money making business. **Thank you so much!**
