Happy February Friends!

I started this month by sharing a quick update on my work with LightShine at my church. I shared a quote I read in a devotional recently and I'd like to share it with you. Mother Teresa started out with two pennies and a calling from God. Her superiors said she couldn't do anything with two pennies. Mother Teresa replied that *she* couldn't, but *God* could. We might think that we don't have the talent or the money to really make a difference. But God can do anything, we just have to be available. So, I encourage you to think and pray about what God wants you to say yes to, and making yourself available to be used by Him.

We had an amazing First Tuesday meeting this month, with almost 70 people in attendance! We are growing and navigating all the changes that comes with growth. I'm excited to be part of this growing ministry!

This weekend I will be attending our leaders training day to prepare for the upcoming trip season. Lots of info to take in and I'm looking forward to it.

A few things we need....

- We are asking for gently used twin sheet sets and towels/washcloths to be used at our base in AK for incoming teams.
- We need people to make desserts for our fundraising banquet on April 11.
- I am making table center pieces for the banquet and I am in need of fresh flowers or greenery.
- I'm looking for people to join my team to Pedro Bay, or any team that suits your schedule.
- Pray for our upcoming teams, that God would prepare the work for us to do and the hearts of those serving. Pray that God would supply all that we need for this growing ministry and that we would lean into Him for His guidance.

Please reach out to me if you can help in any of these areas or you have questions! And join us next month at the First Tuesday meeting at the Lancaster Alliance Church at 6.

In Him,
Heather
