Dear friends,

Thank you for continuing to pray for me and my work with LightShine. I am getting ready for my first trip to Alaska coming up in just 5 weeks! I am looking forward to serving with Eric for the first time, being back at the LightShine base and seeing friends, and working with a new (to me) ministry. Please pray for the team, that God would prepare our hearts and bodies, that we would show His love to all we encounter.

I have been talking with the elder of Pedro Bay village and am looking forward to serving there. The potential new pastor will be visiting soon, I pray that he will stay and serve as their pastor! I am still looking for team members for this team!

We've had a time of it at home lately, I think the enemy is trying to get me down and out before my trip. Between extensive vet bills, doctor bills, health issues, family issues, the dishwasher dying, and the septic giving up, I've gotten discouraged. I realized today that I really haven't been praying much about all these things and have been worrying on my own.

God please forgive me for trying to do life on my own and for not coming to you. Thank you Lord for your peace and your provision. I pray that the enemy will not hinder me, that You will strengthen my faith and continue to work in and through me.

I Peter 5:7-11 says...

"casting all your care upon Him, for He cares for you.

8 Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. 9 Resist him, steadfast in the faith, knowing that the same sufferings are experienced by your brotherhood in the world. 10 But may the God of all grace, who called us to His eternal glory by Christ Jesus, after you have suffered a while, perfect, establish, strengthen, and settle you. 11 To Him be the glory and the dominion forever and ever. Amen."

Just a reminder, if you give through the paypal link on my page, be sure to put my name in the memo.

In Him,

Heather
