Meet Our Teams

2025 was our 30th year serving Bible Camps, Native Villages, and Churches in Alaska. We sent 132 volunteers to serve on 15 different teams throughout Alaska.

We also sent our first mission team to Okinawa, Japan to work at a YWAM Base.

01

Mission

Our purpose is to come alongside local churches, Bible camps and various ministries all over Alaska – sending mission teams and providing resources that will help them make passionate followers of Jesus Christ.

02

Vision

Our desire is to build the Kingdom of Jesus Christ (Matthew 10:7) through sending mission teams and discipling team members (Matthew 28:19-20) so they make missions a lifestyle.

03

Values

Our missionary emphasis is defined by prayerful direction from the Holy Spirit, a commitment to excellence in accomplishing every task, the attention to detail and integrity in communication with others, the careful stewarding of the tools and resources entrusted to us, and the faithful pursuit of building lifelong partnerships to keep the Body of Christ strong.

Bob & Angie **Neuenschwander**

Bob & Angie first served with LightShine Ministries in 2018. The following year Bob lead his first team to work at the LightShine Base. After that trip, they realized that this ministry fit them well. In 2023, they felt that the Lord was calling them to Alaska to become the Base Directors. Things moved quickly after that and in the spring of 2024 they moved to the beautiful LightShine Missions Base in Palmer, Alaska.

• Visiting our Ministry Network Hosts

After all of our teams arrive back home to Pennsylvania, the ministry work does not stop. Now with Bob & Angie joining Steve & Renee as LightShine missionaries living in Alaska, they were able to travel together for a week to meet our various ministry hosts. This is vital time spent on the road to hear about the different needs our hosts have for the coming year so we can plan our teams accordingly for 2026.
