Greetings in the Name of Jesus!

I am writing to tell you about a great opportunity I have had to serve the Lord in Alaska! I have been working with LightShine Ministries in Alaska for 4 years now and am asking that you consider supporting me as a missionary. LightShine Ministries has been leading missionary teams to Alaska since 1995. They have been helping churches, Bible camps and ministries throughout the state with building projects and maintenance. Last year, 17 short term teams were sent!

Lord willing, I will be leading 2 teams to rural Alaska this summer! I will be returning for the third year to the village of Pedro Bay. I am really looking forward to continue growing our relationship with the people there. I am also helping at a remote children's camp near Emmonak Village for the first time! I have taken on many organizational and financial tasks for LightShine throughout the year. This keeps me busy, but I feel so blessed to be able to serve the Lord in this way!

In addition to working with LightShine, God has recently given me His heart for the drug addicted women in Kensington, Philadelphia. I'm not sure how He will be leading me to minister to these women, please pray for me!

God has been faithful to supply all of our needs and I trust in Him to continue to meet them. If you feel God is leading you to partner with me, please fill out the form on the next page and send it to LightShine with your support check. You can also give through PayPal, visit my link listed below. Please include my name in your donation. Your financial gift to support me as a missionary is tax deductible. If you would like to receive prayer requests and news, please be sure to let me know by email or text. Thank you for your support, I couldn't continue to do this work without a support team! I pray that you would be blessed through your generosity and your commitment to pray for me.
