April News from the Neuenschwanders

April has finally brought the feel of spring to the mountain, although we had fresh snow several mornings. Most of our snow has now melted and just a few piles to go.

90th birthday. It was fun to surprise her when we showed up unexpectedly, also for a chance to see many of the extended family. Mom really enjoyed her party as many of her 22 grandchildren were there along with many of the 37 great grands.

Plans are quickly coming together for this summer's teams that kick off in less than 3 weeks on May 8. Angie began purchasing team tickets so her fun is in full swing. Bob has been finalizing materials and ordering supplies for work at our base. He has also been in contact with the locations where he will be leading teams, making sure to know what they are planning for the team. We will be working on opening the bunkhouse upon our return on the 28th. We are excited to kick off the teams and get to greet everyone at the airport and base. We are praying for a great year working with our host ministries all around the state. It is exciting to see LightShine continue to grow as we have been able to add 2 new locations again this year.

Blessings to all,
Bob & Angie Neuenschwander
