The countdown is on! 10 days and counting until I leave for Alaska!

There has been a lot of preparation happening behind the scenes. Travel arrangements, packing and gathering necessities, keeping my team informed and keeping the schedule updated for those at home. I am nervous for this new adventure into wilderness Alaska, but I am also excited...knowing that Camp AN is doing a much-needed work there, reaching the native kids in this remote area.

Please pray for my team and also for Camp AN, for the workers and the kids.

**If you would be willing to be on a text prayer group for my trip, please let me know!**

I've also been busy working with LightShine to keep team leaders and members advised of their support amounts and deadlines and other office tasks. Lots of teams are coming and going right now!

I have another opportunity to serve in Kensington in the days leading up to my trip. Please pray with me about this.

It's a shorter update this time...but next month I will share about Camp AN and I'm sure I'll have a lot to tell about!

You can check out my webpage by clicking the link at the top of this letter, there you can read previous newsletters and support me in this work.

In Him,

Heather
